

FINANCE *of* AMERICA

Bill Dallas

President, Finance of America Mortgage

As President of Finance of America Mortgage, Bill oversees all aspects of the lending channel and is responsible for its performance. Over the course of his career, Dallas has founded and managed more than a dozen mortgage and financial technology companies including First Franklin, Ownit Mortgage Solutions, Skyline Home Loans, NewLeaf Wholesale and Cloudvirga. He also founded risk management and data analytics solution, Interthinx, and lending process automation company MindBox, as well as two independent California Banks, Heritage Bank of Commerce and California Oaks State Bank.
